

Job Description

Jobtitle:	Full Stack Developer
Reporting to:	Chief Technology Officer
Work Location	Great Yarmouth Head Office (+ some home working)

Role Summary:

- **CeraPhi Energy Ltd.** Aims to be the leading enabler in the global geothermal space (<http://www.ceraphi.com>) We are seeking a self-motivated and dynamic full stack developer, to assist with the development of our progressive web application and ensuring its security and scalability.
- To succeed, you will have an in-depth knowledge of web applications, with strong understanding of web technologies – HTML, CSS, JavaScript. You will be proficient with hands-on experience of server-side languages and relational databases. You will work closely with our projects and technology team including corporate management executives.

Job Responsibilities:

- Full stack development and adding new features to the existing application.
- Design and implementation of scalable web application.
- Maintain security of application and data protection.
- Building REST APIs.
- Performing unit and integration testing.

Knowledge/Experience required:

- 3+ years of strong experience of web development.
- Strong experience of Angular.
- Backend development – Node.js and express.js
- Version Control experience.
- Relational Databases.
- Good understanding of AWS services (S3, EC2, Load Balancer, Code Commit)
- Building RESTful APIs.
- Self-motivated and capable of working independently as well as part of a team

- Good communication skills (verbal and written)
- Relevant Degree or equivalent professional qualifications
- Good inter-personal communication and team skills
- Able to work openly and co-operatively with others, both within immediate project teams and elsewhere
- Self-motivation and ability to organise own time effectively
- Able to work remotely and maintain acceptable levels of productivity
- Good presentational skills; able to present complex ideas at the appropriate level

General –

All Staff are required to:

- Familiarise themselves with the Company Policies and Procedures, held on the citrus-HR system, accessible by all staff at any time from the website.
- Uphold the Equal Opportunities and Anti-Harassment and Bullying Policies, ensuring effective implementation in all aspects of their work for the Company.
- Act at all times within the Company Rules, Policies, Procedures, and any other statutory requirements.
- Be proactive, bring ideas, suggestions and contribute to business improvement.
- Undertake training as required.
- Attend staff and team meetings as required.
- Observe health and safety procedures in the workplace to ensure personal safety and to safeguard the interests and safety of colleagues, customers and visitors.
- Undertake other duties and responsibilities as appropriate since all staff are expected to work flexibly within their skill level to respond to changing priorities and make sure that customer needs and business objectives are met.

To Apply –
